

# Adam

DOB: January 5, 2001

**Adam is a shy and soft spoken young man who warms up once you get to know him. Adam enjoys swimming, playing basketball and video games. Adam enjoys making crafts and makes bracelets for himself and others. Adam likes attending sporting events and cheering for his favorite team. Adam is also willing to try some new fun activities.**

**Adam receives average grades in school but struggles with reading and writing. Adam has an IEP and ETR to help meet his needs. Adam has a low IQ and has a mild form of Cerebral Palsy. Adam has experienced significant abuse and neglect which has resulted in some mental health issues. Adam is currently in residential treatment and has been working on these issues. Adam is looking for a two parent household where he is the oldest child and there are cats in the home. Adam needs a family who understands his mental health needs and can get him to his physical and occupational therapy appointments.**

**If you are interested in providing a permanent home for Adam, please contact the Lake County Department of Job and Family Services, Foster Care and Adoption Hotline at (440) 350-4218.**
